NOTES:

1. All Traffic Management will be set out in accordance with the requirements of the latest versions of the Traffic Signs Manual, Chapter 8 and or Safety of streetworks and roadworks a code of practice.
2. Any sign reference numbers used in this drawing refer to either the diagram numbers contained within the Traffic Signs Regulations and General Directions (TSRGD) 2016.
3. All Diversion signing will be fully installed before the closure is brought into effect.
4. All sign frames will be secured with sand bags.
5. Exact locations of signs are to be determined on site and will be positioned as to not obstruct any other sign, footpath or visibility.
6. The inner boundary of the safety zone is controlled for clarity but is to be marked with barrier in accordance with TSM Chapter 8 at the appropriate distance for the speed of carriageway.
7. Any overhead cables shown on this drawing are for guidance only. The contractor shall make themselves aware of the exact position of all overhead cables during daylight hours prior to setting out traffic management. Underground services are not shown but should be anticipated.
